The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

Laila should unquestionably be aiming for DISTINCTION overall. A great deal

of her work so far is already at this level and ALL assignments are at least a high MERIT grade. I hope to see more of the same from Laila as time goes on

which should see her acheive the highest possible grade.

Lee Adams.

Review Term: Autumn

Review: Laila has made an excellent start to the course. Despite English being her second language she displays excellent standards in all of her written work. She excells in her knowledge of Sports Science and also shows a good attitude towards practical sessions. She is a popular member of the group and is always on time to lessons. I feel she should set her goals very high and is capable of achieving a Distinction grade.
