The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

To complete her application form for next level

Smart Targets: To sit her G3 exam as her final exam

To continue to gain practical assessments in G20 and GH4 colour removel.

Gulsen works well in class and has some good skills in practical work. She is very eager and willing to learn. Gulsen wants to go in to an apprentiship for

her level 2 and I think this will be a good choice.

Review Term: Autumn/Spring/Summer

Review:

Working at a steady pace this term.

Practical assessments actioned and on-going for all units.

To work on practical assessments as per action plans in portfolios (GH1, GH2, G20, GH4) with the view of completion in May.

Issues Raised: Gulsen is attending late to some sesions and will need to improve this as it is now becoming a pattern.

Munuse Azizoglu.
