#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

### Comments / Reference / Targets

**Smart Targets:** 

Modules:

Nicolle is a first rate student. At present she is comfortably working at MERIT level for most, if not all assignments. As the third term progresses she should set herself the target of getting all modules up to DISTINCTION level of which she is more than capable.

Review Term: Autumn

Review: Nicolle is an excellent student. She already has a high subject knowledge and her work so far has diplayed to me that she is capable of achieving a very high grade. She displays a genuine enthusiasm to learn and always wants to know more about the subject she is studying. Her practical ability is high and she is a very popular member of the group. Well done Nicolle!
