### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Area of Development:	General	Debbie Chittock  Date Set: 17 October 2011
S.M.A.R.T. Target:	Florentina is quite a good student but she does not listen well in class. Most of the time she seems to like chatting with whoever is sitting near her even when she has been told to stop talking. Florentina's reading and writing need quite a lot of work for her to pass at E2 and so she needs to be more serious, listen carefully in lessons and work harder in class. On 31st October Florentina was put on report for constant talking in class.	Deadline: 17 October 2011

Area of Development:	Reading	Debbie Chittock  Date Set: 17 October 2011  Deadline: 17 October 2011
S.M.A.R.T. Target:	Florentina's reading showed that she is not fully aware of capital letters for proper nouns. She will write a list of 30 proper nouns with capital letters. She also had some difficulty with reading for detail. She will complete 2 E2 reading comprehension exercises to help her with this. She will complete this by the 31st October.	Boddinio. 17 Goldson 2011

Area of Development:	15.87.141	Debbie Chittock  Date Set: 17 October 2011
S.M.A.R.T. Target:	Florentina's handwriting and spelling are sound however she has some problems with sentences as she does not use many full-stops. She needs to check her work carefully and join simple sentences together. She will write about what she likes to do in her free time and check it carefully for punctaution before handing it in. She will write at least 80 words and give it to me by 31st Oct.	Deadline: 31 October 2011

Review Term: Autumn
Review:
Attendance - 93%
Punctuality - 97%
Well done, you have kept your attendance above the target at 93% and your punctuality is also very good.
You are behind with one task for the tutorial work (Listening Report due 15th Dec) and do not always complete your homework on time. In class you pay attention when the teacher is talking much better now. Well done!
In order to improve you need to practise reading for general understanding (gist), use full stops at the end of sentences and use joining words (and, so, because, etc) instead of using commas to join simple sentences together.
If you continue to work and attend in the same way I am quite confident that you will be able to pass the Speaking and Listening exam and complete the Personal and Social Development Portfolio assignments in time.

Review:

Florentina is progressing quite well. Her attendance is very good and her timekeeping too. She is quite confident and tries to answer questions as much as much as shye can. Hers speaking is good and she has a sound pronunciation of most words.

In the recent Mock exams for speaking and listening he passed with 25/30. She needs to concentrate on using present simple and present continuous correctly and gerunds and forming sentences correctly - e.g - ' I like because.....'

She made a mistake with listening and needs to practise her listening more by completing her tutorial targets and watching as much TV at home in English as he can. In addition she needs to find friends and social activities which will involve her speaking English to increase her language skills.
