The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn/Spring/Summer

Review:

Shafie is an extremely able and enthusiastic member of the group who takes a keen interest in construction and appears to enjoy all aspects of the work. He is developing a good general construction knowledge and is always willing to share his ideas with the rest of the class during discussion. Shafie is also a friendly member of the group who displays considerable interest in the subject and participates in practical work with enthusiasm. His test results (and the recent exam result) have been generally quite good, but would benefited, I am sure, from extra revision. I hope he can sustain his current interest in and enthusiasm towards construction. A very impressive first term. Well done!
