The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn/Spring/Summer

Review:

Brian because of your low attendance you are now behind with your work. In order to catch up you need log in to your keyskills4u.comaccount and look at calculations to do with time, money,decimals fractions and averages. The work we are doing is not beyond your abilities you just need to be in the classroom and be focused. You also need to complete your targets. I have set you a new target. I would suggest that forthe New Year you make a resolution to attend all of your classes with the correct equipment i.e. pen, pencil, paper ruler and folder.
