#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Bianca is a friendly and kind member of her group. She is focused and motivated in all the tasks set for her. Well done Bianca! Bianca has grasped the routines and skills needed for the level she is at. She is confident in her setting up and her facials. I would like Bianca to practice her Day make-up routine at home as this will help Biance to improve her technique and increase her confidence further. Attendance is good Keep up the good work Bianca!

Review Term: Autumn

Review:

Bianca is ready to take the open book exam of this unit and pass successfully

Issues Raised: improve punctuality

Lydia Karekedou.

Review Term: Autumn

#### Review:

Bianca, you are progressing very well within your course, you have met all your targets and your beauty lecturers are also very pleased with your progression and achievement.

well done.

#### Issues Raised:

You need to improve your paractical skills

For the next block I would like you to work a little bit more on your practical skills to improve before i will give you a client, you could do this by:

- 1. practice on your block at home regularly
- 2. watch demos on line
- 3. get personal one to one assistance from a peer or teacher

i would give you a frame time of 6 weeks before i review your progression.

Main area for improvement is blow-drying and setting hair
