#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Alyshia works hard in class and has made good progress. Alyshia has handed in six out of eight of the homework set and scored 44% in the recent test. Alyshia has very good attendance and punctuality but needs to raise her standard in maths to achieve the highest grade possible.

Alyshianeeds to do the homework on scatter graphs, approximations chapter 7 and score 60% in the next test.

Good attendance and time keeping. Alyshia is doing very well in this unit, all work is up to date and she has been able to use her note taking to good effect. She shows a good understanding of the subject. Her only weakness is taking part in group discussions, although there is some improvement.
