- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Keep taking notes which you are very good at. You will need these so much **Smart Targets:**

to help you with the Unit 103 on-line exam which i am entering your group to

sit just before the christmas break.

You seem to have settled well into the group. You are carrying on where you

left off with me last year. You are getting on very well with theory. I also have no problem with your practical work, you are getting on very well with it. Well

done, keep up the good work.

Comments / Reference / Targets

Review Term: Spring

Review: Reece is doing really well. His attendance and punctuality are excellent. He has completed all four plumbing units and all four electrical units. All he needs to do now is get his portfolio ready to hand in. He is agood student who just gets on with it. Very well done.

Issues Raised: Finish portfolio, discuss future.

Gary Waldon.

Review Term: <u>Autumn/Spring/Summer</u>

Review: You are doing very well in practical and theory though I did hear you had a attitude problem in functional skills, if there is any problem please let me know? Apart from that very well done.smile

Issues Raised: As i said above if you have any problem let me know?

Gary Waldon.
