#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### Review:

Ambur has achieved an excellent attendance record this term and now needs to focus on gaining practical assessments and revising in readiness for her forth coming exams.

Issues Raised: Ambur will need to work on her concentration levels in class as she is not always totally focused on the task in hand.
