As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

Klaudia is serious about studying. She always works hard during the lessons and finishes most of the work early. Sometimes I ask him to help and explain the tasks to others once he has finished his work. This will consolidate his learning and help him to interact with others in the class. Understands everything taught so far.

Klaudia, has continued being an excellent student. Her attendance is 90% and punctuality is 100% at the moment.

She has done very well and passed her mock test. She is now getting ready for her Speaking and Listening exams which will take place in April.

She is working towards a qualification called PSD (Personal Skills Development). She has completed 2 of the assignments - Working Towards Goals and Healthy Living. He will still need to complete 5 more assignments in order to get her qualification. These are; Dealing with Problems in Daily Life, Developing Self, Preparation for Work and Working as a part of a Group and Preparation for Work.
