The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn
Review:
Attendance 90.91%
Punctuality 97%
You are confident and usually work hard to complete set tasks. Sometimes you do not concentrate and you are easily distracted by others in the class. You have the ability to do well, continue to work on your assignments and goode lucl with your work experience.
Speaking and listening - You are very confident in speaking but need to focus on listening for specific information. Listen to the news on your phone and tell me 3 important things each morning in class.
Reading - In the last mock test you scored 81% well done. You made some mistakes with identifying specific information and we will review these in class. You say you don't like reading but please try to read a local newspaper and highlight the main points in an article you have read.
Writing - You are improving and can identify your own mistakes when pointed out to you. You need to proof read your writing and check grammar, spelling and punctuation before submitting.

Review Term: Spring

Review:

Attendance 93.33%

Punctuality 100%

Alper's attendance is good and his punctuality is excellent. Well done - keep it up!

He is an able student but is easily distracted by others/distracts others.

Alper has been working well this term. He is a confident speaker but sometimes he needs to focus more on completing the set tasks in class. If he does this, he should have no difficulty in passing the Speaking and Listening exam.

He has completed the 3 units in Workskills and we are now working towards the Personal and Social Development Certificate. He will need to work hard in all his lessons to complete all of the Edexcel Personal & Social Development Units within the deadline.

I am confident that with continued effort Alper will have no difficulty in passing the Entry 3 Speaking and Listening exams in April 2012.

Issues Raised: Sometimes does not hand in homework.

Nadir Hassan.
