- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Look at your bksb diagnostic results print out and complete the first of the **Smart Targets:**

paper based resources exercises. Make sure you show all working out. Print

off the results and bring them to your class.

Comments:

We have been doing work involving place value, multiplying, dividing, subtracting and dividing. We have also looked at calculations to do with time in various formats. You has coped with the work and shown an understanding of when to use the different calculation methods. You need to show all of your working out to gain full marks.

Comments / Reference / Targets

Review Term: Autumn/Spring/Summer

Review: Soultan you just need to be in the classroom and to be focused. You also need to complete your targets. I have set you a new target. I would suggest that for the new year you make a resolution to change your attitude towards your work and become a bit more serious. You have shown in the past that you can do this- it is time to do so once more.
