Review Term: Autumn

Review: Micka, you had a rocky start to this year but have pleasantly surprised me, you have been making changes to turn yourself around, you are a very good and hardworking student. You have settled in nicely to your group and the course, I could only ask that you keep up the good work and behaviour.

Review:

Students have been working on identifying different forms of writing, purpose, intended audience, using formal language, identifying facts & opinions, layout of formal/informal letters, sequencing ideas, reading strategies, spelling strategies, punctuation, types of texts and group discussions.

Micka is a very able students with good writing skills, but his attendance and punctuality to lessons is not encouraging. He needs to work on these areas in order to achieve his qualification.
