The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Keep to assignment deadlines

> Karl has been performing to a good level so far this year and has completed work to a good standard which is nice to see. His attendance and punctuality has been ok for the year and this has reflected in his quality of work. It is important for him to continue as he can complete the course within the next 2 months, if he works hard from now on. He has some good practical sessions and has worked on a good level on the units this year, he must ensure he keeps his attendance levels up to help him complete the course within time.

Karl has been good student for this year thus far. He has made good achievements academically even with the pressures of playing a regular high standard of football. He works to a high standard which is reflected in his work even though he could push himself further. He studied Fitness testing and training, Sports development, and assessing risk last term and is now studying Practical Sport this term, all in which he is showing a high level of interest. His Attitude towards the course is good, even though standard of work could be improved. Overall I want Karl to keep this high standard up.

Personal Targets

Area of Development:	Attendance	Nicholas Cuming Date Set: 5 December 2011 Deadline: 2 December 2011
IIS MIN PI I STACT	Karl you need to improve your attendance to 90% by the 15.12.11.	Deadine: 2 December 2011

Area of Development:	Attendance and Punctuality	Karl Russel Date Set: 7 November 2011 Deadline: 17 December 2012
	My Target is to keep my Attendance Percentage above 90% until the end of my BTEC Level 3 course. I also want to try and keep my Punctuality Percentage above 90%. I know this will be hard for me as I live a long way away from college, but it is a challenge I set to complete. If my percentage of Attendance and Punctuality is above 90% by the end of the course this means I will not have missed much work and will hopefully have the knowledge I need to pass this course. Review:

Karl has been a great student to have on my course this year. His progress has been good and is working hard in all of his units for all teachers even though there is still room for improvement regarding standard of work. Recently he has been working to a high standard and completed 4 of 6 units. He is an absolute pleasure to have on the course and a delight to tutor. His focus on what he wants to achieve academically and in sport drives him. I believe that karl will fill his potential and go far.
