The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review: Zeinab has a good understanding of this subject. She has a good sense of humor and her communication skills are of a good standard which is needed for this industry. All assignments need to be handed in though. But keep up the good work smile
