The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Tutor Review

Comments / Reference / Targets

Review Term: Autumn/Spring/Summer

Review: Bethany is avery pleasant and polite student and is a popular member of the group. Bethany is easily distracted and is not always totally focussed on her studies. I am concerned that Bethany will get further behind if she does not fully focus on the course this term. Bethany is capable of acheiving all the required units and now needs to work hard to ensure she stays on track.
