#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Spring

Review:

Katarzyna, well done, your punctuality is 100%. Your attendance is currently 58.33%, which is well below college target 87%. Your attendance is low especially in maths lessons (currently 33.33%) You have to attend all of your lessons to improve your attendance.

You work well in the lessons to complete the tasks. Although you started late, you are doing a great job catching up with others.

In order to improve your language skills, you need to speak in class only in English language. Sometimes you speak Polish, which may prevent you from learning English.

Issues Raised: Attendance

Speaking Polish in class.
