The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review:

You are progressing well on your chosen course, you are meeting targets and responding to tasks set by your tutors.

During block 3 you will need to work on your workskills tasks discussed within your team.

Issues Raised:

I would encourage you to start to ask your family and friends to vist the college as a client for you once you start your client sessions. also please try to book appointments out of college times as time is critical now
