#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### Comments / Reference / Targets

improvements to her attendance to all classes

Smart Targets: to work at her literacy levels as these are fairly low especially as she is getting

ALS

To attend all ALS for literacy and numeracy

Hazal is working well however she lacks motivation and the drive to be a

hairdresser. I have suggested that she looks to gain more literacy qualification

prior to any level 2 course she undertakes.
