#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn/Spring/Summer

Review: Well done you are well on the way to passing hand planing unit 107 and four credits in the bag.

check your portfolio for small amendments.

106 Tool maintenance is next and another four credits, good luck

Issues Raised: Try to catch up on theory/portfolio session you have missed

Matthew Hills.

Review Term: Autumn/Spring/Summer

Review: Rakeem you have produced some good work this term but I don't think you are showing all you are capable of. I believe that if you really put your mind to it you can produce even better work. Maybe a change of attitude towards participation in the classroom will do you good and help your concentration. Try it for the New Year.
