The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Gregs Units - Distinction Grades

Shane is a good and pleasant student who has gone from strength to

strength. At present he has an excellent record of attendance and punctuality

and has no outstanding work to hand in.

Shane has obvious ability and should always attempt Distinction-type

questions and thus make the next step up the ladder.

Gregory Scott.
