The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review: Kubra works well in a team and also under own steam. She is a very capable student and puts in 100% effort into all lessons. She needs to concentrate on her revision for on line exams that are coming up at the end of January.smile
