The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

Units completed to date are UB 100B3 Day Make-up , UB 100B1 Preapre and Maintain Salon Work Areas and B2 Assist with Facial Skin Care Treatments.

Comments:

Natalie Marie has worked really hard this term and grasped the routines and skills in the above units. I would like her to recognise her achievements to date as I feel that she needs to believe in her own ablities. This is important as it will help to increase confidence in herself. I would Natalie Marie to make sure that she always arrives on time for every practical class and is ready to set up with everyone else. Please keep practicing the facial routines and Make-up at home .Well done Natalie Marie. You should be proud of your achievements so far.

Issues Raised:

Review Term: Autumn

Review:

Natalie, you are progressing very well within your course, you have met all your targets and your beauty lecturers are also very pleased with your progression and achievement.

Issues Raised: For the next block I would like you to work a little bit more on your practical skills to improve before i will give you a client, you could do this by:

- 1. practice on your block at home regularly
- 2. watch demos on line
- 3. get personal one to one assistance from a peer or teacher

i would give you a frame time of 6 weeks before i review your progression.

Main area for improvement is blow-drying and setting hair

Lydia Karekedou.
