#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

You has coped with the work and shown an understanding of when to use the different calculation methods. You need to show all of your working out to gain full marks.

Brian I cant help you if you are not here and because your statistics are so low you will be on report for the next 3 weeks. Issues Raised: James Craig. Review Term: Autumn/Spring/Summer

Review: Brian because of your low attendance you are behind with your work. In order to catch up you need log in to your keyskills4u.com account at <a href="http://keyskillstrainer.excellencegateway.org.uk/login.html">http://keyskillstrainer.excellencegateway.org.uk/login.html</a> and look at calculations to do with time, money, decimals fractions and averages. The work we are doing is not beyond your abilities you just need to be in the classroom and be focused. You also need to complete your targets. I have set you a new target. I would suggest that for the new year you make a resolution to attend all of your classes with the correct equipment ie pen, pencil, paper ruler and folder.
