The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Tutor Review

Comments / Reference / Targets

Review Term: Autumn

Review:

You are progressing well on your chosen course, you are meeting targets and responding to tasks set by your tutors.

Please try to book your personal appointments out of college time to avoid missing any course work

Issues Raised:

I would encourage you to ask family and friends to visit your client sessions once all delivery has taken place in block 3.

I also suggest that you book yourself into the drop in sessions in the LRB to support your literacy and IT needs, you will find it useful to support you through rest of the duration of the course.

Jennifer Hylton.
