#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

### **Tutor Review**

#### Comments / Reference / Targets

Review Term: Autumn

#### Review:

Your attendance is not very good due to personal reasons; please try to book appointments out of college time so that is does not interrupt with your chosen area of study.

However your hairdressing skills are good and you must continue to practice

If you keep up with the tasks set by your tutors you will find it very easy to complete tasks failing that you will struggle, we will offer you mentoring support that will motivate you and keep you on track. Please feel free to speak to Sara in your group for a testimony

#### Issues Raised:

I would also encourage you to come into one of the 2nd year classes to observe others; this will help you to build confidence.

How - visit the style zone reception and asks for the days of the 2nd year classes.

Also speak to family and friends about booking in for you as a client as you will need them for assessments in block 3
