- 91% to 87% is amber status
- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

Look at your bksb diagnostic results and complete the first of the Interactive

Resources exercise. Print off the results and bring them to your class.

Comments:

We have been doing work involving place value, multiplying, dividing, subtracting and dividing. We have also looked at calculations to do with time in various formats. You have shown an understanding of when to use the different calculation methods.

Review Term: Autumn/Spring/Summer

Review: Angelo you have worked well this term and produced some good work. You can produce even better work if you bring the necessary equipment to your class with you, that is pen, paper, ruler, pencil and folder. you also need to spend some time reflecting on the work we do in class that means looking through the folder. You also need to complete your targets; I have set you a new one. Angelo I know you find it difficult, which is why you need to stay focused and always try your hardest. Keep trying in the new year and it will get easier.
