The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

You work hard in class to improve your English writing. To help you improve your English you need to read books and newspapers and to speak English all the time. For extra work use the www.bbc.co.uk/skillswise website.

Smart Targets:

Prince is able to analyse simple word problems and can calculate with all four mathematical operations. He needs to build up more self confidence in order to discuss and present information within groups as well as to the whole class. He has excellent attendance and punctuality. Keep it up!!

Amanda Smith.
