The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review:
Attendance 100%
Punctuality 100%
You have excellent attendance and puntuality, well done. You are gaining in confidence but still feel unable to contribute to discussions. You are reciving support and I hope this will help in your self confidence. You work hard but make mistakes in expressing details.
Speaking and listening - Continue with the breathing exercises and speak clearly to express yourself. Give information about yourself and express your opinions.
Reading - In the last mock test you scored 30% this would be below pass in the real exam. You need to focus on reading the detail in text and identifying the important points. Key words and phrases in text needs to be developed.
Writing - Although you are gaining in confidence you need to develop skills in using the past and present simple in sentences. you also need to check spelling and practice using look, say, cover and write method.

Review:

Attendance 96.02%

Punctuality 100%

Excellent attendance and punctuality - keep it up.

He is gaining in confidence and usually works well but sometimes gets distracted.

He needs to work on his spelling, use of tenses and punctuation in order to improve his writing. He also needs to practise reading for detail in a text.

He will need to work hard in all his lessons to complete all of the Edexcel Personal & Social Development Units within the deadline. With continued effort he should be able to pass the Entry 3 Speaking and Listening exams in April.
