#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

**Smart Targets:** 

Whilst Craig Nottingham, your tutor for this unit, is absent from College due to ill-health, you should use the study time to get ahead with the work, assignments and assessments for the units being delivered by your other tutors. You will then be able to focus on this unit again at a later stage in the year. This means that you should be able to submit work early for other units and there is no excuse for not meeting deadlines.
