As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn
Review:
Attendance 95.5%
Punctuality 100%
You are gaining in confidence and work hard to complete set tasks. You work well with others in the group but need to be confident in asking your teacher for clarification when you are not sure.
Speaking and listening - Although you are a confident speaker, under exam conditions you are nervous. You also need to develop skills for listening for specific information. Listen to the news and list the 3 main points.
Reading - In the lat mock test you scored 70% although this would be below pass in the real exam you have made good progress. Review your answers with others in the class and check where you made mistakes.
Writing - You are gaining in confidence but need to write clearly, checking your grammar (past/present simple), spelling and punctuation. Proof read your work and check for errors.

Review Term: Spring

Review: Attendance - 92.66%

Punctuality - 100%

Anab's attendance is good and her punctuality is excellent. Well done - keep it up!

She is a very quiet student in class but participates in discussions when qustions are directed to her. She works well with others but meeds to listen to instructions in order to complete set tasks..

Her level of reading, writing, speaking and listening is improving and she is gaining confidence. She needs to make sure that she completes homework work on time.

She has completed 3 units in Workskills and will need to work hard in all her lessons to complete the Edexcel Personal & Social Development Units within the deadline.

I am confident that with continued effort she will have no difficulty in passing the Entry 3 Speaking and Listening exams in April 2012.
