The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

He is working towards a Cambridge qualification. Issues Raised: His attendance, punctuality and behaviour are excellent. Well done! Hazel Griffith. Review Term: Autumn

This term students have been studying Health by giving personal information about themselves, making an appointment with the doctor and dentist, asking for medicines at the chemist's reading and writing information at the doctor's, learning words for parts of the body, writing appointments in a diary and reading instructions on medicines.

Mumni has good speaking skills and is able to communicate effectively with students in the class. He is able to describe how he is feeling and also give his opinion on matters directly related to his learning.

Mumni has some issues with spelling in class. Although his presentation of work is excellent his spelling lets him down at times. Mumni can improve his spelling by practising more reading and also using a dictionary.

Mumni has an electronic dictionary which he will use a lot more in class.

Ashi Akbar.
