The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

Continue to work hard.

The Level 3 Creative and Media Diploma is designed to provide learners with a wide variety of practical and theoretical skills in the Film and Video Production Industries, Print-Based Media Industries and Interactive Media Industries, whilst enhance learners with theoretical knowledge relating to job roles and career paths in the creative media industries.

Comments:

Jamie's attendance and punctuality is excellent and he works extremely hard in all classes. In Jamie's Print-Based Media sessions he had to research what the magazine industries are about and how they research into target audiences for their products. Jamie then had to produce his own research and make a magazine cover based on this. Jamie has done extremely well in this unit and his work is very well presented and demonstrates good knowledge of the print-based media industries. Jamie also worked well on his magazine cover and handled Adobe Photoshop software confidently and competently. Jamie now needs to continue working like this to get the distinction grades he deserves at the end of the course. Well done.

Sherine George.
