The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:
Your attendance and punctuality is above the college average. Well done! Please keep this up as you are a role model for the rest of the group.

You are on task with regards to hairdressing skills and course work.

I am happy you feel confident in cutting but you know you need further training in styling. I advise you to come into one of the 2nd year classes to observe others; this will help you to build confidence.

How - visit the style zone reception and asks for the days of the 2ndyear classes.

You are showing wiliness to learn for undergoing voluntary work on the salon

Issues Raised:
I would advise you to visit the LRB or mentoring for 1-2-1 skills for IT, this will help you for progression at level 3 hairdressing.

It's a walk in session on the 2nd floor and any of the teachers will assist you.

Jennifer Hylton.
