The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:	Christie is working well in her classes and has completed 74% of her exams so far. She is due to sit G3 within the next 2 weeks. Christie has very good attendance and punctuality to class and has maintained this throughout the course. If Christie is thinking of carrying onto L2 she will now need to complete her application form to hand in. ! negative point that i will point out is that Christie can be lazy on occassions and need to motivate herself to work harder.If she is keen to become a hairdresser and go onto L2 this will need to improve.
