The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

To attend more regularly so her attendance can go up from 83 to 87%

To attend more regularly to her maths class.

To action plan her assessments and try to bring in at least 4 clients to complete some of her GH1,GH2,GH4 and GH^

Comments:

Danielle is a very pleasant member of the class and works well. She is progressing relatively well in her subject area and is completing some of her units in practicals. Danielles blowdrying has improved over this term and she is ready to now work on clients. Danielle has expressed that she will not be doing hairdressing but wants to do beauty instead and has completed her application form.

Modules:		
NV1MHAR1-1DA11B/BEA Beauty Practical		

Comments / Reference / Targets

Smart Targets: To start assessments on facials

Comments: Danielle works hard in all lessons. Danielle needs to demonstrate more communication skills to enable her to progress further. However her understanding of this subject is of a good standard as is her practical skills. smile
