The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Very good student

Comments: You have had very good progress in this unit so far. Your course work and test results show high level quality. You are highly motivated to achieve not only pass, but also merit or distinction. I am pleased with your progress and see a lot of potential for future. Also, you have been very supportive to your classmates and often help them with the coursework. Well done, thank you and keep in this way to the end of the year!
