Learner Review

17 January 2012

Learner: Myriam Fellah
Personal Tutor: Jennifer Hylton

Key to Attendance and Punctuality percentages

- 100% to 92% is green status
- 91% to 87% is amber status
- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Subject Targets

Subject	Attendance	Punctuality
GCSE Maths GCSE Maths Fnd TGpA (GC2MMTH1_1DA11A) (T)	100% (10)	100% (10)

Comments / Reference / Targets

This term, we have been studying module 1, data handling. We have been studying the following topics: Statistical measures, representing data, scatter graphs, collecting data and probability.

1st GCSE exam will take place on the 13th of November 09 which it will be your 17% of overall GCSE grade.

Myriam, you have learnt and became very confident how to work out the averages for both frequency and grouped frequency tables. You can use different types of graphs to represent data and also you are able use the graphs to estimate averages and interpret data. You became very confident about how to collect data and design questionnaires including how to criticising and building statements.

However, even though you know how to work out simple probabilities, you are still not confident in terms of drawing tree diagrams and use them to find probabilities of successive dependent events. This is the part in probabilities that will make you to achieve A and A* in your GCSE grade.

Targets and way forward:

1. Finish all the apply questions and make sure that all the assess questions are done.
2. Revise on the probability questions by going through all the pre exam papers for module 1
3. Revise for module 1; all the pre exam papers you were given and see your tutor for any misconception.
4. Attend the arranged extra sessions with your tutor and always see your tutor for extra help.

Seval Fadil.

Subject	Attendance	Punctuality
GCSE Maths GCSE Maths Fnd TGpA (GC2MMTH1_1DA11A) (T)	88% (4)	0% (1)

Comments / Reference / Targets

This term, we have been studying module 3.

Module 3 contains the following topics: Integers, rounding, decimals, fractions, surd's, indices and standard form, percentages, ratio and proportion, use of symbols, quadratic graphs.

2nd GCSE exam will take place on the 2nd of March 10 which it will be 28% of overall GCSE grade.

I am very confident that you will do really well with the exam if you are more focused and show more maturity by being responsible for your studying. This is your re-take and is your final chance to turn it round.

Myriem, you have learnt and became very confident how to work out the Integers, rounding, decimals, fractions, indices and standard form, percentages, ratio and proportion, use of symbols. You apply all these skills to solve pre exam questions.

However, even though you know how to work out/rationalize surd's you need to be able to use all the surd's properties.

You also need to improve how to work out the points of intersection of linear and quadratic graphs and proportion questions.

The following targets will help you to performed your best for the exam:

1. Finish all the apply questions and make sure that all the assess questions are done.

2. Revise on the surd's/quadratic/min-max values questions by going through all the pre exam papers for module 3

3. Revise for module 3; all the pre exam papers you were given and see you tutor for any misconception.

4. Attend the arranged extra sessions with your tutor and always see your tutor for extra help.

Seval Fadil.

Personal Targets

Area of Development:	Time Keeping	Myriam Fellah **Date Set:** 3 October 2011 **Deadline:** 3 November 2011
S.M.A.R.T. Target:	To get quicker at doing the tasks by practising more big. Don't get ill or my attendance will go down sad Start assignments when they have been given cool	

Area of Development:	English	Myriam Fellah **Date Set:** 21 November 2011 **Deadline:** 21 November 2011
S.M.A.R.T. Target:	Try to get along with the english teacher	

Area of Development:	Practical	Myriam Fellah **Date Set:** 14 November 2011 **Deadline:** 21 November 2011
S.M.A.R.T. Target:	Get quicker at my cuts and blow dry. Ask for more help on assignments	

Tutor Review

Comments / Reference / Targets

Review Term: Autumn

Review:
You are progressing well on your chosen course, you are meeting targets and responding to tasks set by your tutors.

Please try to book your personal appointments out of college time to avoid missing any course work, or practice skills hairdressing related

If you can I would advise you to slot yourself into an additional practical session to gain further assessments for hairdressing. All you will need to do is ask hairdressing reception the following

Days

Times

Note: Ensure that any additional times have been scheduled out of your normal timetable

Issues Raised:
I would encourage you to ask family and friends to visit your client sessions once all delivery has taken place in block 3.

I hope that the Voice recorder has supported you through the duration of the last 2 blocks; some feedback during tutorial would benefit me to feed back to the rest of the course teams.

Jennifer Hylton.
