The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

The group has been learning basic bricklaying using the correct tools and P.P.E.

Ali is a good student he works well both in theory and practical but can sometimes be mislead.

Review Term: Autumn

Review: The E2E programme is designed to provide service users with the opportunity to experience the widest ranges of skills in Construction as well as helping them to build up their English communications skills. In Tutorials we have covered the importance of setting and adhering to the learners' own rules as well as college rules, respect for each other, for staff and one another's work within the framework of anti-bullying policy.

Issues Raised: Ali, you must improve your overall punctuality to classes which is classified as 'weak' in both instances.-Work to ensure an improved punctuality record over the next three weeks to Christmas to all classes.

Lauren Maloney.

Review Term: **Autumn**/Spring/Summer

Review: Ali has settled into the group and has shown good use of hand skills in the workshop, he has completed 3 training tasks and shows good awareness of H&S. In theory he has nearly completed Unit CC1001K and will sit the online end of unit questions in the next couple of weeks
